

## The ELT Grammar Book: A Teacher-Friendly Reference Guide

At long last English language teachers have what they've been waiting for - a professional friend to give a helping hand at all times. A great deal more than a grammar book, this resource is a unique exploration into areas of the language that teachers, both beginners and veterans, have found troublesome to understand, hard to explain, and challenging to demonstrate to students. Its down-to-earth, reader-friendly format gives a fresh, new way of looking at complex material, in turn preparing teachers to communicate better and give more effective examples to students. You'll find valuable information that you've never seen in other grammar reference books! The 22 chapters explore word order, articles, present, past, and future tenses, the overlooked uses of some and any, modal auxiliaries, prepositions, genitives, compound nouns and adjectives, passives and causatives, direct object companions, two- and three-word verbs, subjunctives, conditional sentences, the role of stress and intonation to convey meaning, and more.

Welcome to the blog of Joan le Grande. I'm changing the blog to English so forgive me the Dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
