

The Elves

Jimmy Peterson is sick. Very sick. Living within the childrens ward at St. Josephs Hospital at the height of World War II, Jimmy suspects that his illness is far worse than anyone will admit, especially to him. But Jimmy knows better: endless medications, constant pains and wracking coughs are the unfortunate realities of his days. One wakeful night in the ward, he receives an unexpected visit from none other than Santa Claus. Saint Nick invites Jimmy on an adventure, one which will grant him a brief respite from the illness that plagues him. Of course Jimmy accepts and within moments finds himself sitting wide-eyed in Santas sleigh, soaring through snowy skies behind eight flying reindeer. When they arrive at the North Pole, Jimmy meets an assortment of extraordinary characters, all of whom are eager to introduce him to the many marvels of their home. Each encounter is more astonishing than the last, from cooking classes with elves to mice that talk to the endless wonders of Santas workshops. He enjoys every magical moment, relishing the contrast to life in a childrens ward, with its frightened patients, unsavory medicines and desperate parents. Despite his delight, Jimmy constantly struggles to conquer the fear that wells up inside him when he faces the reality of returning to the ward. More than his own pain, Jimmy dreads the impact his illness will have on his family if his health continues to decline.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
