

Embodying the Light

Within each of us lies a treasure of great worth, a treasure of light which contains the seeds of wisdom, talent, compassion, beauty, joy, and peace. It remains hidden from sight until we learn to tap it, but as we try to express ourselves spiritually, we slowly unfold not only this wonderful gift of light, but also the talents and capacities it proects. This book is a compilation of 13 lessons in enriching our daily lives with the these treasures of light.

Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
