

Daily Writing!: A Year Of Story Prompts

This book is a fun collection of a years worth of story prompts along with some bonus photo prompts. Laid out with thought provoking ideas, this book can help you get started writing. You can write. Sit down and string words together one after the other. Dont just say you want to be a writer. Be a writer. Its that simple. You dont have to start January 1st, pick any day that you want. Pick a prompt every Saturday morning. Or work on one before bed. Randomly flip through the book with your eyes closed, point and say, I will write a short story from this one. Use them to write the most ridiculous thing imaginable that youd never show anyone. Use them in class if you are a teacher. Anything goes with no limits. Just write. And have fun!

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, viraal reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
