

English in Mind for Spanish Speakers Level 4 Workbook with Audio CD

This second edition updates and makes even more suitable a course which has proven to be so successful in Spain. This Workbook provides extra language and skills practice for use both in the classroom or at home. It also includes extra vocabulary exercises corresponding to the expanded lexical sets in the Students Book Vocabulary bank. Study Help and Skills Tips sections give learners extra guidance. Specific to the Spanish Speakers Edition are Get it right! and Exams in mind (revision for Cambridge English: First - FCE) pages, as well as Writing bank (exam writing practice) pages. The audio content is included on the Workbook Audio CD.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
