

ESL Curriculum: ESL Module 1 Part 1 Teachers Guide

Module 1 Part 1 Teachers Guide: ESL CURRICULUM FOR BEGINNERS Second Edition ESL Curriculum is a publication of Learning English with Laughters Teen-Adult Series. There are four Modules in this series. This Teachers Guide is part of a series of the three books, Student Reader, Workbook and Teachers Guide that comprise Module 1 Part 1. This Teachers Guide has 80 pages that correspond to the 20 lessons. It completes and is a vital part of this first English second language Module, Module 1 Part1. Many of the exercises and activities will be incomplete if bought without the series Student Reader, Workbook and Teachers Guide. The availability of this series of Modules, each in two Parts, allows schools, colleges and universities to provide books for half of each Module at a time. This allows flexibility in administering the program. This Teachers Guide provides Oral Questions for every lesson. During a number of years of teaching English Second Language students in the Czech Republic we asked the students to complete surveys that listed the many types of activities that they had participated in. Our students consistently rated this oral questions activity as the most helpful on a scale of 1 to 10. Teachers will find: - Learning English with Laughter philosophy - Oral questions for every lesson - Answers to all questions from the Student Reader and Teachers Guide - Notes to teachers that provide suggestions or background information - Competitive whole class Team Games - Picture Bingo with enrichment callouts included - Games that reinforce the use of difficult verbs such as to do - Information charts to complete - Partner activity to reinforce noun plurals - Finding and recording personal information provided on a chart - Role-playing greetings using role-cards. - Questioning activity to find a specific person (role-cards) - Unit tests after every fourth

lesson - Test answers - Marking instructions - Mid-term test after Lesson 20
The activities listed above spark a lot of laughter that creates a relaxed learning atmosphere. This Teachers Guide is an essential part of Module 1 Part 1. The program provided in the Student Reader and the Workbook cannot be successfully presented without the use of this Guide. As it is for teacher use only the provision of one copy per teacher is sufficient. All Guide activities can be photocopied as needed. The online version is presently being used in more than 70 countries of the world.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
