Module 1 Part 1 Student Reader: CURRICULUM FOR BEGINNERS Second Edition Learning English with Laughters Teen-adult series has four Modules. This Student Reader is part of a series of the three books, Student Reader, Workbook and Teachers Guide that comprise Module 1 Part1. Many of the exercises and activities will be incomplete if bought without the series Student Reader, Workbook and Teachers Guide. It is for English second language beginners aged 13 years and older. It has 38 pages for 20 lessons of approximately 90 minutes each. The availability of the Modules in two Parts allows schools, colleges and universities to provide books for half of each Module at a time. This allows flexibility in administering the program. **THE STUDENTS DO NOT WRITE IN THIS BOOK, CONSEQUENTLY IT CAN BE USED BY MORE THAN ONE CLASS.** This allows schools that provide the books for their students to collect and re-issue them for the following semester. It also lets a student who has purchased the book, re-sell it to an incoming student. This Student Reader provides the introduction and explanation of all new grammar points as they are incrementally introduced. The following Grammar concepts are incrementally introduced in this Student Reader. They are then integrated and reinforced through large and small group oral activities, role-plays and written exercises in the Workbook. - English names - Vocabulary - Subject pronouns - Possessive adjectives - Negative sentences with to be - Contractions of to be - Forming the negative of to do - Listening, understanding and oral reading - Informal introductions - Numbers 1 to 10 - Formal introductions - Negative contractions - Possessives -Reference of countries and nationalities - Preposition in - Greetings -Numbers to 100 - Spelling of singular and plural nouns - Contractions of auxiliary

This series has been popular for the last decade. The online version is being used in more than 70 countries of the world.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
