

A Series of Poetic Events (Book 1)

Through A Series of Poetic Events, you will see short stories unfold in ways you've never imagined. A healing of sorts that could not have been predicted as you began to read my poems. I will convey as you began to let go of your own personal emotional pain. You will then begin to see doors (opportunities) arise that you thought you had lost or were simply out of your current reach.

Welcome to the blog of Joan le Grande. I'm changing the blog to English so forgive me the Dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
