Everybody Up is a seven-level course that motivates children by linking the English classroom to the wider world. Everybody Up encourages children to use language in a natural and meaningful way by connecting English to their own lives. Colorful cross-curricular lessons link English to other school subjects. Fun stories teach life lessons such as being kind and polite. Great songs, and the special Everybody Up Friends, motivate children to practice English - even at home! The Everybody Up Global Sing-along links your classroom to the wider world.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
