

Ewen the Good (Tales of Bassily Book 2)

If you wanted to build a building you would first sit down and decide how much it would cost...If a king is going to fight against another king, first he will sit down and plan...It is the same for each of you. Luke 14:28-33 All of Ewens friends have discovered what they are really GOOD at, but he just has no idea. One day he sets out to discover what he can do really well, but it is not as easy as he had hoped. A story about learning how to count the cost, for anyone who ever wondered what they are going to be when they grow up!

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
