

## Next Stop: Spanish

Enjoy an authentic spy thriller and pick up a little Spanish along the way! Next Stop Spanish offers both an enjoyable reading experience and a chance to become familiar with a new language. - L.M. Gil, 5 Star Amazon Review John Valquist needs to learn Spanish. But hes in luck, since his uncle Andrew is a language expert and former spy. In Next Stop: Spanish, you have the chance to see and study the words John studies, and then watch him add more and more Spanish into his dialogue as the story progresses. In the dramatic conclusion, John will need to put together everything he has learned to save his uncle!

As a former NSA agent himself, the author Keith Massey infuses his novels with authentic details from the world of espionage and the language and culture of their settings. The unique combination of an exciting story along with language learning will engage the reader and be a fun way to start speaking this important language. The author includes in the book the same set of basic and important vocabulary words that he has used to successfully master a number of languages, including Spanish and Arabic.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
