

Exercises in French Composition: Introduction to Original Work in Composition (Classic Reprint)

Excerpt from Exercises in French Composition: Introduction to Original Work in Composition To give the student an opportunity to turn to account the capital he has acquired in the way of vocabulary, verb forms, and constructions, is the aim of this new text in French. It begins with the simplest exercises and leads on step by step to a point where the student has to express his own thoughts in the foreign tongue. The book is arranged in two parts. Each lesson in Part I contains a short text from some good writer, which affords exercise in reading and translating; questions based on the text, designed not only to offer an exercise in conversation but to be an oral preparation for the written resume or abstract of the text; grammatical questions bearing on the rules applied in the text, forming a practical review of the most important points of French grammar; and exercises in original composition, so arranged as to combine variety and system. Part II consists of a list of topics to be treated by the student. Each topic is followed by a few suggestions which reduce to a minimum the work of invention and enable the young writer to concentrate his attention on the form. Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
