

Teach Yourself Business Japanese (3CDs + Guide)

A quick-and-easy path to the language confidence you need to do business in Japan. In the global market, you need to be able to say more than just hello in another language. You need to talk about money, trade, labor, and more. Teach Yourself Business Japanese will give you all you need to feel confident about doing business in Japanese. On the three audio CDs, you get the essential Japanese you will need for all general transactions as well as some industry-specific jargon. The recordings feature native speakers, so you will hear how the language really sounds and have ample opportunities for practice.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
