

One Line of the Ball Tribe (Classic Reprint)

Excerpt from One Line of the Ball TribeIt has been said, somewhere, that the preface of a book is the most difficult part to compose. If such be the case, this preface will be as brief as the exigencies of the work will permit. The writer makes no claim to superior literary merit, and if in the course of this work any inaccuracies, errors, or omissions occur, they are to be attributed rather to the confused state of the information and data at his command than to any negligence, or inattention, he hopes, on his part. He desires to express his sincere thanks to Miss Clara E. Ball (Associate Historian, International Ball Union), Miss Lulu K. Eubank (author of Old Glory), and Miss Emma S. Yerby (author of Manuscript History of Colonel William Ball and his Descendants in Virginia), for their uniform kindness and courtesy in offering suggestions and imparting information to him, during the preparation of this little work. Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped

and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
