

First Middle English Primer Extracts from the Ancren (Classic Reprint)

The object of this work is not to afford a general survey of the Middle English dialects in their different periods, but rather to lay a firm foundation for such a survey by giving extracts from the two oldest texts which have been handed down in consistent, contemporary spellings representing pure and fixed dialects, one dialect being the direct descendant of the classical West Saxon of Alfred and I fric, the other the nearly direct ancestor of Modern English. The spellings of the MSS. have been preserved unchanged, except in cases of necessary alteration, but diacritics have been added as guides to the quantity and quality of those sounds which are imperfectly distinguished in the MSS. The grammar and glossary are based entirely on the extracts, all comparison of the other M. E. dialects and periods being rigorously excluded, the two texts being also kept apart as much as possible. Although I think it a great mistake to begin the study of M. E. without a previous elementary knowledge of Old E., such as may easily be acquired with the help of my Anglo Saxon Primer, I have nevertheless adapted this work to the requirements of those who may take it up without any such preparation. These students may perhaps find it advisable to begin with the Ormulum instead of the Ancren Riwle. (Typographical errors above are due to OCR software and don't occur in the book.) About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology. Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings. Careful attention has been made to accurately preserve the original format of each page whilst digitally enhancing the aged text. Read books online for free at www.forgottenbooks.org

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
