

## My body part book.: In English,Spanish,and French.

Learning a different language is a fantastic life skill. The children would learn how to pronoun their body part in three different languages English,Spanish,and French.. When a toddler is having difficulty learning to understand and use words, repetition is critical to make sure that a child is exposed to new words and concepts many, many times throughout a day and throughout the week. Working on learning to point to a body part during a weekly therapy session or even once a day at bath time may not be enough to help a young child learn to respond.This book teaches them different body parts in three different languages.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, viraal reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
