

A Newbies Guide to iBooks Author: A Writers Guide to Creating Dynamic Books wit

iBooks Author is the first interactive publishing tool of its kind, giving authors, publishers, and content creators the ability to create interactive books in an easy-to-use what you see is what you get environment. iBooks Author allows for easy creation of beautifully designed pages theres no design expertise or knowledge required to bring ideas to life. This is a must have beginners guide for any author who wants to create dynamic looking books for their readers.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, viraal reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
