

Focus on Grammar CD-Rom: A Four Level Course for Reference and Practice: Basic

Clear, contextualized, and interactive, The user-friendly Focus on Grammar CD-ROM (Basic level, by Samuela Eckstut), provides extensive multimedia grammar practice through lively reading, listening, and writing activities. A four-level software program, the Focus on Grammar CD-ROMs include grammar review, review tests, and all relevant reference material from the Focus on Grammar Student Books. Features: * Abundant contextualized exercises. * Target structures presented in full reading and listening passages, not just isolated sentences. * Users work at their own pace and use the grammar to express their own ideas. * Opportunities for original writing. * Special TOEFL Test-type review tests. Focus on Grammar CD-ROMs provide: * Immediate interactive feedback to guide the learner. * Extensive pop-up grammar charts, notes, and appendices for easy reference. * Record-keeping functions for keeping track of individual performance. Each level of the CD-ROM (Basic, Intermediate, High Intermediate, and Advanced) is correlated to the units and grammar points of the Focus on Grammar Student Books.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
