

Four Corners, Level 1: Students (Book & CD)

Four Corners is an integrated four-skills English course for adults and young adults.

Four Corners Students Book with Self-study CD-ROM, Level 1 is designed for true beginning students requiring a thorough presentation of basic grammar, vocabulary, and functional language. The twelve units cover high-interest topics such as daily life, work and play, food, experiences, and celebrations. In Four Corners, multiple speaking activities in every lesson tied to measurable outcomes help students and teachers see the results of their learning. Additional Keep Talking activities help students develop fluency. As with other levels of Four Corners, an extensive set of print and electronic course components is available to help develop students communication and confidence.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, viraal reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
