

Learning Leadership: Building Your Professional Career

As a professional you will go through different stages in your professional development. Learning Leadership provides a roadmap outlining the important points in your career progress, and identifies the behaviors and strategies which will allow you to be successful as you grow. It will finally present a snapshot of the successful organizational leader--how they scan the environment for opportunities, manage organizational change and motivate their employees. Learning leadership provides a detailed examination of the stages that an emerging professional experiences--technical, professional, managerial and leadership. At each of these stages there are knowledge sets, perspectives and behaviors that will allow the candidate to be successful at these levels while looking forward and identifying skills that will be useful at future stages.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
