

Freckles and The Great Beach Rescue

FRECKLES and The Great Beach Rescue is the second book in the FRECKLES adventure series. In this story, Freckles visits the beach where he befriends a sand crab named Pinch. Together they find the strength to rescue baby sea turtles that are trapped in a fishing net, moments before an impending storm. This story teaches children the important lessons of believing in yourself, recognizing individual strengths and talents and finding the courage to face challenges. This book is beautifully illustrated by children's book illustrator, Carol Schwartz, and offers an engaging story with memorable characters that children love. FRECKLES and The Great Beach Rescue is the recipient of multiple awards including the Moms Choice Award, Moonbeam Children's Book Gold Award, USABookNews.com Best Books Award, Eric Hoffer Awards Notables Book and the Indie Excellence in Publishing Award. Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
