

German (Hippocrene Handy Dictionaries)

Containing chapters on emergencies and villa and apartment rental, this German phrase book also has an enlarged shopping section covering markets and services, and additional useful everyday phrases. It includes chapters on hotels, camping and caravanning, travel, restaurants, the post office and health. Where appropriate, there are also recognition lists of words and signs that may be heard or seen, as well as particular phrases which may be said in reply. The limited pronunciation of each word or phrase is shown alongside the foreign language translation. The book also has an extensive menu reader for easy identification of dishes and methods of cooking, and a mini-dictionary of 1800-2000 words.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
