

Counting Fish in Samoan and English (Tui Language Books) (Samoan Edition)

The importance of maintaining a child's native language is now well recognised by parents and educators. It is also important for children from all backgrounds to experience other languages and culture.?? Our Tui range of bilingual educational books are designed specifically to achieve this.?? The range is beautifully illustrated with bright colours to appeal to young children and feature simple vocabulary in Samoan, Tongan, Maori as well as English.?? Our books cover a wide range of topics and will make learning languages fun for children. Children will love learning their very first words in Samoan, Tongan and Maori.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
