

Physis (Free Verse Editions)

Poetry. Translated from the French by Cole Swensen. For over twenty-five years, Nicolas Pesques has been writing an homage to Julia, the mountain he sees out his window. In *PHYSIS*, the fifth book of the series, he weaves philosophical reflection in and out of an encounter with the body of the mountain, the body of language, and the human body that bridges the two. Employing an exquisitely spare, precise phrasing, *PHYSIS* underscores the distance on which all landscape is based, searching out the ways in which humans work to make a home on earth

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
