

French for Xenophobes (Xenophobes Guide)

Presenting a humorous approach to French that shows you can speak the lingo simply by using plain English, this tongue-in-cheek guide provides invaluable phrases that will trip off your tongue, such as 'Is that a baguette in your pocket or are you just happy to see me?', 'You did tell me it would be extra', and 'Are you sure that all these symptoms are caused by a liver attack?'

Welcome to the blog of Joan le Grande. I'm changing the blog to English so forgive me the Dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
