

From the Errors of Others

From the Errors of Others is a collection of crisp, witty, and slyly informative essays for grownups with a sense of humor. The subject is communication--good, bad, and patently bizarre. The author is Rebecca Lyles, an experienced editor but not a wrist-slapping schoolmarm. Neither giggly nor ponderous, she eagerly tells tales out of school. There are boneheads and blowhards in our midst, she says, but we don't have to take them seriously. And we certainly don't have to imitate them. From the Errors of Others is a refreshing alternative to those heavy handbooks we never opened in school. It's not only far more entertaining than those dreary tomes, in the end, perhaps surprisingly, it's also much more enlightening. Imagine that: a smart book about writing and speaking effectively that people will actually enjoy reading. -- Richard Nordquist, PhD. About.com Grammar and Composition Expert In this comprehensive collection, Lyles teaches how to: keep a professional tone; avoid awkward speech habits; communicate clearly without being pretentious; detect deception; and use a writing comfort zone. A seasoned editor and business manager offers concise essays that humorously explore communication stumbling blocks, reveal common errors, and provide time-tested advice on how to write and speak effectively.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
