

From Words to Grammar: Discovering English Usage

From Words to Grammar is a different introduction to grammar for students. Taking a word-based approach to grammar, this innovative book introduces the subject through the analysis of over a hundred of the most commonly used English words. Each unit focuses on a different word class, using an analysis of specific words which includes: an introduction to the grammar of each word; examples of real world usage featuring that word; exercises with answers. This unique approach not only introduces students to grammar but also provides them with an understanding of how grammar works in everyday English. Written by an experienced teacher and author, From Words to Grammar is ideal for all students of English Language.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
