

Building Strategies for College Reading: A Text with Thematic Reader (3rd Edition)

Featuring the valuable PlanDoReview reading and study cycle, this popular text has been completely updated with new readings, web exercises and revised themes. This unique volume approaches reading as a holistic, process rather than a series of fragmented discrete tasks. Emphasizes such tasks as identifying the authors purpose, understanding vocabulary in context, differentiating among different levels of information and making valid inferences and features the valuable PlanDoReview reading and study cycle. For individuals interested in developing reading comprehension strategies.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
