

Selections From Chaucers Minor Poems: With Introductions, Notes, and a Glossary (Classic Reprint)

Excerpt from Selections From Chaucers Minor Poems: With Introductions, Notes, and a Glossary The text of the various poems in this book is based on the valuable parallel texts of Chaucers Minor Poems, printed by the Chaucer Society from old manuscripts and Caxtons and Thynnes early printed editions of the poets works. Each poem, for the most part, follows one of the authorities published by the Chaucer Society; but, wherever this is defective, corrupt, or evidently inferior, readings from the other authorities have been adopted. Most of the variations from the text of the authority chiefly followed (the orthographical changes below referred to and corrections of obvious scriptorial errors in the MSS. being excepted), and the more important various readings among the other authorities, are indicated in the foot-notes, which, it is hoped, may be of service in providing the student with opportunities for the exercise of his own judgment on the relative claims of readings on grounds of grammar, logic, or rhythm. It has of course been necessary to punctuate the text. There is practically no punctuation in the MSS. authorities, and the early printed editions show little more than an occasional full stop. Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
