

Genealogy of the Mather Family: From About 1500 to 1847; With Sundry Biographical Notices (Classic Reprint)

The writer of the following pages, containing the Genealogy of the Mather family, has endeavored to make it as complete as possible, and with that view has devoted much time and labor, in searching the ancient family records, and in carrying on a protracted correspondence with the different branches of the family located in various parts of the country. He believes it to be the most particular and full account of the family that has been published, and he wishes to embrace this opportunity to tender his thanks to those individuals who have felt sufficient interest in this work to give the author the benefit of their advice and knowledge. He is indebted to Mrs. Byles of Boston, for the names of the Father and Grandfather of the Rev. Richard Mather, which carries the account back to near the year 1500 to Capt. Andrew Mather of New-London, for the Lyme branch from Richard of the second generation, son of Timothy of Dorchester, to the seventh generation and to Samuel Mather, Esq., of Middletown, for copies of the same, including those of the eighth generation. He has also been furnished with that part of the Lyme branch who descended from the Rev. Moses Mather of Darien, Ct., by his grand-son Joseph Mather, Esq., now a resident of Darien. Mr. Samuel Mather, of Westfield, Mass. (Typographical errors above are due to OCR software and dont occur in the book.) Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
