

Fluo Workbook (Level 2) (French Edition)

Ce cahier individuel peut être utilisé à la fois dans les phases de traitement et de reinvestissement. Sans support auditif, il développe la compréhension et la production écrite. Les dernières pages présentent un memento, outil de références.

5 évaluations ponctuent le cahier (après l'étude de deux dossiers). Le support propose s'appuyer sur une évaluation formative et met en évidence le travail des 4 compétences : à gauche, compréhension orale (une croix verte dans une des colonnes d'appréciation) et compréhension écrite (une croix bleue) à droite, production orale (croix verte) et production écrite (croix bleue). Sur l'incitation de l'enseignant, l'élève remplit au fur et à mesure selon les entrées travaillées. Il va s'habituer, progressivement, à non seulement analyser ce qu'il a fait mais aussi à mesurer le chemin parcouru et à parcourir. En faisant ainsi le point régulièrement, il contrôle ses acquis et ce qui est à développer et/ou à transformer: On peut revenir en arrière pour changer une appréciation. Petit à petit, l'autoévaluation et la coévaluation sont favorisées par la mise en commun des différents paramètres.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
