

Further German (Teach Yourself)

An intermediate to advanced course in German, ideal for those learners who have completed Teach Yourself German or other beginners German courses, by developing skills already learnt and building on them both grammatically and functionally. It is a practical course in useful German with the emphasis placed on communication and can be used both as an independent course of study and as a supplement to classwork, especially A/AS level. The course is accompanied by two cassettes featuring dialogues and authentic German broadcast material (ISBN 0-340-58543-9, price 19.99).

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
