

## A Genealogical Record of the Descendants of Thomas Penney of New Gloucester, Maine (Classic Reprint)

Excerpt from A Genealogical Record of the Descendants of Thomas Penney of New Gloucester, Maine In compiling these genealogical records of the descendants of Thomas Penney and Lydia Herring, it is deemed proper to preface them with a brief history of New Gloucester, Maine, the town to which this worthy couple emigrated immediately after their marriage in Cape Ann, it becoming their future home during the remainder of their life, and the birthplace of all their fourteen children. New Gloucester had but just sundered the tie, by act of incorporation in 1774, that bound it to Gloucester, Massachusetts (Cape Ann), when they established their rude home on the little clearing in the virgin forest of the new town. The associations of their birthplace by the deep-sounding sea were ever fondly remembered and cherished, and appropriately are entitled to brief mention in these condensed notes. But to their descendants the town of New Gloucester will ever possess those peculiar charms that cluster around and make sweet the memories of home. Home enshrined in the affections becomes the dearest spot on earth. The word home may include the whole town which is homes environment, with all its diversified beauty of hill and dale, forest and stream, and our love and admiration reaches out and embraces the whole. Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
