

Gente: Nivel intermedio, Books a la Carte Plus MySpanishLab with eText one semester -- Access Card Package

Following Gente: Nivel basico in its philosophy and task-based approach to teaching and learning a second language, with Gente: Nivel intermedio students learn intermediate level Spanish through interaction and collaborative work. This Books a la Carte Plus Edition is an unbound, three-hole punched version of the textbook and provides students the opportunity to personalize their book by incorporating their own notes and taking only the portion of the book they need to class all at an affordable price. It comes packaged with a 6-month access code to MySpanishLab, which brings together in one convenient, easily navigable site a wide array of language-learning tools and resources.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
