

## Gloucester County, Virginia, Colonial Records of.

Gloucester County was created from York County in 1651. Gloucester County Courthouse suffered two burnings, one in 1820 and the second in 1865. Most of the records were presumed destroyed or lost forever due to these fires. The author had discovered numerous files and records concerning this county located within the numerous volumes of records concerning the Colony of Virginia, the clerks office in Yorktown (York County), and various other county courthouses of Virginia. Records within this book are: Land Patents 1642-1790, Rent Rolls 1704/5, Tax Lists 1770-1782, Mathews County Tax Lists 1774-1791, members of the Burgesses Council and Court, and Land Patents for Gloucester in King & Queen County, VA.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
