

## Heads, You Lose! (Goosebumps Horrorland #15)

The monstrously successful GOOSEBUMPS series continues with SEVEN more HORRORLAND books! Its time to take a little Horror home with you! Jessica and her best friend, Ryan, really enjoy magic tricks. They find the perfect HorrorLand souvenir in Jonathan Chillers gift shop--a two-headed coin with mysteriously dark powers. After an unlucky flip of the coin, Jessica and Ryan find themselves in a strange land being chased down by angry guards. HorrorLand was scary but this is much worse. Will they be able to escape with their heads still attached?

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, viraal reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
