

## Grahams Amanuensis Phonography: A Presentation of All the Principles of Grahams Standard or American Phonography Essential for Shorthand Amanuensis Work (Classic Reprint)

Excerpt from Grahams Amanuensis Phonography: A Presentation of All the Principles of Grahams Standard or American Phonography Essential for Shorthand Amanuensis Work<sup>1</sup>. Elements of Phonography. - Phonography is a system of writing based upon the sounds of the language. Its alphabet, unlike the common one, has a letter for each distinct sound.<sup>2</sup>. As only the sounds of a word are represented in phonography, silent letters in the common spelling, as a in tea, b in doubt, c and finale in scene, I in calf, ugh in dough, though, etc., are not expressed.<sup>3</sup>. The consonant sounds are represented by strokes, and the vowel sounds by dots and dashes placed beside them. For convenience in learning the system, therefore, the consonant signs are taught first.<sup>4</sup>. Directions for Writing. - Hold the pen between the thumb and first finger in the manner usually taught for longhand, and make the characters carefully. Do not, at first, try to write rapidly. Speed in phonographic writing is the result, principally, of familiarity with phonographic letters and principles. Use good ruled writing paper and good fluid ink. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I

already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
