

A Grammar of the Malayan Language, Vol. 1: With an Introduction and Praxis (Classic Reprint)

Excerpt from A Grammar of the Malayan Language, Vol. 1: With an Introduction and Praxis

The Malayan, or, according to the pronunciation of the natives, the Malayu language (of which a Dictionary was lately, and a Grammar is now offered to the public) prevails throughout a very extensive portion of what is vaguely termed the East-Indies, including the southern part of the peninsula beyond the Ganges, now bearing the name of the Malayan peninsula, together with the islands of Sumatra, Java, Borneo, Celebes, and innumerable others, as far to the eastward as the Moluccas, emphatically termed the Spice-islands, to the southward, as the island of Timor, and to the northward, as the Philippines; forming collectively the Malayan archipelago. This great insular region may also not inaptly receive the appellation of the Hither Polynesia, as distinguished from the Further Polynesia or vast expanse of South-sea islands, between which, New guinea may be considered as the common boundary. The name of Polynesia, as applied to this tract, was first used by M. De Brosse, and afterwards adopted by the late Mr. A. Dalrymple. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
