

Granta Diary 2007: Classic Crime

The Granta Diary 2007 features original book jackets from some of the worlds best-known and loved crime books from A is for Alibi to Devil in a Blue Dress, Murder at the Vicarage to Pop. 1280. It contains 53 striking book jacket designs in full color, with important dates for life and literature in the year ahead. On May 4, Sherlock Holmes meets Moriarty at the Reichenbach Falls. On October 15, Gerard Etienne's body is found in the offices of Peverell Press. On December 1, Marian Halcombe's diary entry reads December 1st a sad, sad day that I have no heart to describe at length.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
