

Critical Reading Critical Thinking: Focusing on Contemporary Issues (with MyReadingLab) (4th Edition)

Critical Reading, Critical Thinking uses compelling contemporary issues to engage students in reading and thinking about a range of relevant topics and encourages them to apply the skills presented in the text to everyday issues. Each passage or reading is followed by thought-provoking questions that motivate students to use higher-level thinking strategies to address or respond to the issue.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
