

## The Exegesis Seminar

Knowing others is wisdom. Knowing yourself is enlightenment - Lao Tzu. Find out why you are the way you are. Why you feel the way you do. Why you get sad, happy, angry or frightened. Discover how you function and the truth will change your life. In the nineteen eighties The Exegesis seminar was an enlightenment programme that was so powerful and had such a profound effect on people that it came to the attention of the British Establishment. This is the first book written from the viewpoint of those who actually completed the seminar. An unbiased re-enactment of the Exegesis seminar that provides a faithful account of the programme which changed lives forever.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
