

Guilford College Bulletin, Vol. 1: Eighth Month, 1908 (Classic Reprint)

Excerpt from Guilford College Bulletin, Vol. 1: Eighth Month, 1908 The Treasurer was commended for his faithful work and success in collecting such a large percentage of fees the past year - the best financial report in the history of the Association. This report is clearly an index to the growing interest in the Association. Joseph Cox and W. C. Idol were appointed an auditing committee to report to the meeting the following afternoon. vice-president Williams made appropriate remarks, welcoming the class of 1908 and outlining the work of the Association past and present. At this time President Hobbs was asked to address the meeting. In response he gave a synopsis of the growth of the College during the past several years, and told in a very clear and forceful manner the condition and needs of the College. It was moved and carried that President Hobbs be extended a vote of thanks for his address and that it be printed with the minutes. (See page 14.) Henry A. White introduced some resolutions which were referred to a committee, consisting of H. A. White, J. D. Cox, Vernon Brown, Alice Cartland and Clara Cox, for consideration, with instructions to present them again the following evening. Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
