

Guinness World Records 2014

Guinness World Records 2014 brings together thousands of the planet's most awe-inspiring people, pets and products, including new record-holders such as a skateboarding goat, a 15-metre-long robot dragon, the world's furriest cat and a king-size drumkit that needs five people to play it! Packed to bursting with new and updated achievements, Guinness World Records 2014 features an all-new design and more images than we've ever had before - including over 100 all-new original photographs you won't find anywhere else. New topics this year include Superheroes, Venom, and Social Networking, and feature chapters on the Circus and Dynamic Earth round off our most exciting and explosive edition yet. And finally, jumping off the page this year are even more Officially Amazing Augmented Reality features. Just download the free app to your phone or tablet device and look for the See-It-3D icons scattered throughout the book.

Welcome to the blog of Joan le Grande. I'm changing the blog to English so forgive me the Dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
