NEW release bedtime stories for your kids to have pleasant minds and good sleep aids! Your kids will enjoy the picture book by themselves very much! Here is the opening of the story. Heart of the Snow Country At the end of February, Taiwan cherry turned pink, and plum blossom bloomed. Chi-Chi looked at the empty seat, and felt lonely. She was reading a story and thinking, Will Min-Mei be here tomorrow?

In the far away Snow County lived Old Man Snow and Maiden Snow. Old Man Snow made white snow. Maiden Snow squashed the snow into light and thin snowflakes, and then she spread them into the air. The land started to snow. Have this picture book to enjoy the wonderful bedtime story tonight!

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
