

A Handbook of Scandinavian Names

Are you looking for A Scandinavian name for your baby? The names of Norse gods and heroes? The history and meaning of Scandinavian first names? Variations and alternate spellings for common Scandinavian names? Naming traditions and customs in Norway, Sweden, and Denmark? A Handbook of Scandinavian Names includes a dictionary of more than fifteen hundred given names from Norway, Sweden, and Denmark, plus some from Iceland and Finland. Each entry provides a guide to pronunciation and the origin and meaning of the name. Many entries also include variations and usage in the Scandinavian countries and famous bearers of the name. Adding engaging context to the dictionary section is an extensive comparative guide to naming practices. The authors discuss immigration to North America from Scandinavia and the ways given names and surnames were adapted in the New World. Also included in the book is a history of Scandinavian names, information on Name Days, and discussion of significant names from mythology and history, including naming traditions in royal families. Winner, Reference Book of the Year, Midwest Book Awards Finalist, USA Best Books Award for Parenting/Family Reference

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
