

Henry County, Virginia Deeds, 1792-1805 (Books 5&6)

In 1776, Patrick County was cut off of Pittsylvania County and was named for Patrick Henry. When first formed, Henry County embraced the whole of what is now Patrick County and the greater portion of present Franklin County, VA. These deeds include many bills of sale; trust deeds; powers of attorney; dower right releases; names of counties and states where the grantor has taken up residence or plans to reside; leases; damage suits; inquisitions into death; deeds of gifts; bonds and contracts.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
