Winner of the English Speaking Unions Duke of Edinburgh Book Competition in 1992, this intermediate and upper-intermediate ELT course has as one of its objectives the encouragement of student participation by inviting opinion and discussion. The organization of the individual units is designed to ensure that students and teachers can see immediately what they are doing and why. The materials consist of students books, teachers books, workbooks and cassettes. Each teachers book includes the whole of the corresponding students book, with facing-page teaching notes, photocopiable progress tests and tapescripts. The workbooks provide reinforcement exercises and progress tests.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
