

Historical Southern Families, Volume 13

Historical Southern Families is a twenty-three-volume series of authoritative genealogies covering a broad spectrum of Southern families. The series was compiled by the late John Bennett Boddie, whose distinguished contributions to Southern genealogy were attested to by his induction as a Fellow of the American Society of Genealogists, and completed by his wife. Each volume contains a number of genealogies running from a few pages to as many as several dozen or more. Clearfield Companys reprint edition of Historical Southern Families is now complete in twenty-three volumes.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, viraal reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
