Excerpt from History of the Town of Rindge, New Hampshire: From the Date of the Rowley Canada or Massachusetts Charter, to the Present Time, 1736-1874 With a Genealogical Register of the Rindge Families

The preservation of the history of our own New England, ... is but a just and affectionate tribute to the memory of those worthy men who here planted the germs of American civilization, which have not only budded and blossomed, but have borne abundant fruit; who here established those immutable principles of justice, equal laws, and equal rights, which have made our nation independent and free in the most noble sense - a shining example to the world, - and which, like the spirit of light moving on the face of the dark waters, Shall illumine The Entire Globe ... And What More Precious Testimonial Of Your Love Of Kindred And Home Can You Leave, Than That Which Provides Fob The Transmission Of The History Of Your Ancestors, Yourself And Family, To Future Generations! How Consoling The Thought, That When You Shall Have Been Gathered To Your Fathers, This History Shall Live Through All Coming Time As A Precious Inheritance To Your Descendants! This is a trust which Providence has confided to Your care; and You so dead to sympathy and affection, to Kindred And Country, That He Would Not Preserve The Record Of His Ancestors, The Place Of His Birth, The Home Of His Child- Hood, And The Sacred Spot Where Repose The Loved And Lost Ones Of earth!About the PublisherForgotten Books publishes hundreds of thousands of rare and classic books. Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
