The new Longman Social Studies Student Book and Workbook are designed to get your students up to speed for mainstream classes. Longman Social Studies prepares students in grades 6-12 for success in a standards-based social studies program with a broad overview of World and American history. All activities are specifically geared to students in the early stages of English language acquisition, and help build content knowledge, skills, and learning strategies. Features *For beginning to high beginning English language learners. *Getting Started unit introduces the concept of social studies, including *history and geography, and provides an introduction to the past tense. *Reading strategies are explicitly taught and modeled throughout the lessons. *Social studies skills, such as reading and interpreting maps, timelines, charts, and graphs are taught and recycled throughout each lesson. *Vocabulary building activities and glossaries help students access and build mastery of the content.*Unit Review provides additional practice, extension projects, further reading suggestions, and a modeled Writing Workshop.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
